Yesterday, I figured out that the Jesuits have somehow "connected" to my nervous system in such a way that they can literally read my mind. So, over the phone, yesterday I gave Brent, Vladimir and my friends (those who yearn for love and freedom) permission to tap into this cutting edge technology and to enter my mind^{it was possible}. Because I know how stubborn the Jesuits are and that they will never leave my mind now that they're in, I want to give Brent, Franco, Vladimir and anyone who represents them PERMANENT permission to use this technology which reads my mind. It isn't fair that only my enemies (the Jesuits) should be able to read my mind; I want my friends to have permanent permission to stay inside my mind - to read it for THE REST OF MY LIFE.

When I was in Publix today, the Jesuits sent people by to make it obvious that they can read my mind. As if this wasn't bad enough, they did something with this machine^{which reads my mind} AND THEY ELICITED NEGATIVE EMOTIONS IN ME - it felt like depression. They are trying to intimidate me into relinquishing the permission I gave to my friends to stay in my mind ^{over the phone yesterday}. Because the Jesuits got in my mind first (they consider my brains a MAJOR threat) and I know they'll NEVER LEAVE - I GIVE Brent

Spiner, Franco Nero, Vladimir Putin and anyone they may assign PERMANENT PERMISSION TO STAY IN MY MIND. This permission is IRREVOCABLE.

Now that the Jesuits have "connected" to my nervous system (I suspect it may be through DNA, genetics or unique chemical impulses) they have tried to induce psychosis and have induced a migraine headache (that was the headache that came on in 15 minutes), insomnia (they can control when I sleep & wake up); they have induced coughing, bladder irritation, heartburn, tachycardia, jingling nerves, stammering tongue, sharp pains running down my legs and arms, numbness and just about anything that is or could be connected to the nervous system.

The reason I know about this type of technology is because when I did research for Silver Skies, I bought some tapes called Black Science ^{around 1991-1995} by Texe Marrs and he talks about ^{this technology} ~~it~~ on these tapes.

How I figured out that the Jesuits have come up with a way to read my mind is because I noticed that this "ray" that I thought they were using on me seems to follow me everywhere and the other day when I was thinking ^{and temporarily} ~~it~~ that maybe if Vladimir Legally married Lyudmila & flew to meet me

that maybe he could meet me (without the Jesuits causing a calamity) and then he could legally divorce her in about 5 minutes & we could get married on the spot. As soon as I thought these thoughts, I heard cars revving outside my apartment. Whenever the Jesuits get nervous, I always hear cars revving all over the place. I've noticed this for the past several years. This led me to suspect that the Jesuits have come up with a way to read my mind. So I told my friends on the phone that if there is such a technology (where one can read my mind) that I was certain the Jesuits were using it and that they^{my friends} had my permission to ALSO use this technology.

(X.S.) Judging by the behavior I saw at Publix today and the attempt to induce depression (unfortunately it was temporarily successful) - I HAVE NO DOUBT THAT THE JESUITS ARE IN MY MIND and I know they'll NEVER LEAVE. Brent Spiner, Franco Nero, and Vladimir Putin and anyone they^{ss} assign (this assignment MUST BE IN WRITING WITH 3 WITNESSES) have IRREVOCABLE permission to use the same technology which the Jesuits are using to READ MY MIND.

he insisted on living with me, until he was

I believe I know when the Vatican made the connection to my nervous system. It was probably around August or September 2000 (right about the time I served my ex-husband with separation papers). I believe they used David (my ex) to do the procedure which connected the Jesuits to my nervous system. I was forced to live with David in August/Sept. 2000.

I always wondered why it was that no matter after he came home from along sea deployment which store I went to or which road I drove on, they always managed to get there before I did. There was a characteristic "Vatican behavior" which I soon became nauseatingly familiar with. Mainly, other drivers and people would follow me like leeches & it was very strange. Also, I always noticed how brilliant these strange people were at psychological manipulation - as if they could read my mind.

But, unfortunately, I don't believe I was the 1st guinea pig in my family, with this procedure. I believe they got my son, Erich, first! I couldn't finish the homeschool year because Erich was developing "strange" symptoms - like freezing to death and having chills during July 1998 in South Carolina. I took Erich to the ER and the doctors didn't have a clue. At the time, I thought it was an allergy which affected his nervous system. I now believe they used my ex-husband to do some sort of procedure which connected the Jesuits to Erich's nervous

system. And, of course, the Jesuits could manipulate my son's nervous system with some sort of machine-like they have done to me. He was freezing to death, having chills, even when I piled blankets on him. And then the problem just kind of disappeared on its own.

Also, later, the Jesuits hired kids to harass my son. It started in South Carolina with this kid named Tim¹, ^{I think that was his name} in our mobile home park (Sneath Estates). What was really odd is/was the BRILLIANT psychological manipulation these kids inflicted on Erich (AS IF THEY COULD READ HIS MIND). Erich was unusually affected by it. Looking back, I believe they may have induced hyperactivity, anxiety, and irritation in Erich while I homeschooled him (BECAUSE THEY WERE CONNECTED TO HIS NERVOUS SYSTEM). It made it almost impossible for me to teach him. THAT'S WHY I HAD SUCH A HARD TIME towards the end of the school year in homeschool. David^s ordered me to put Erich back in the public schools¹ (this was the Jesuit plan to destroy my son and ruin my reputation). In the beginning, at the South Carolina public schools, things were great - this was a clever Jesuit strategy to make sure I'd enroll Erich in the public schools in Seattle for the 6th grade (which I did).

Erich's 6th grade year at Harbour Pointe

Middle School was a disaster. He was sick all the time with the strangest illnesses + I could tell he wasn't faking it, but David + all his teachers (with the exception of his band teacher) believed Erich was faking illnesses. Worst of all, all the kids in the neighborhood and at his school were harassing Erich in a very effective manner — to the point that Erich ended up seeing a psychologist (David Barnett, PhD — a very nice man) + we ended up putting Erich on anti-anxiety medication (which was minimally effective). Looking back, I remember telling Erich to be tougher and not worry so much what his "friends" thought of him. He seemed hyper sensitive. I even mentioned this to the assistant principal of Harbour Pointe Middle School (when I had a conference with her). Looking back, I believe the Jesuits were manipulating his nervous system (like they're doing to me now) and INDUCING ANXIETY, IRRITABILITY and NEGATIVE EMOTIONS (like they did to me in Publix yesterday). In other words, my son was being psychologically manipulated — using the same techniques the Jesuits are using on me now.

They changed my sweet boy into an irritable, depressed, anxious psychiatric mess so that he flunked 6th grade. I had to fight tooth + nail to keep him from appearing before a judge for excessive absences. The Jesuits got most

of Harbour Pointe Middle School to gang up on my son and "label" him as the lazy kid who feigned illnesses so he could cop out of school. I could tell Erich was in genuine distress and was not faking it. I also believe that when he DID go to school, they manipulated his nervous system and INDUCED negative emotions - a sort of stimulus/response way of manipulating Erich's behavior. Also, it seemed strange that most of his playmates seemed to have an uncanny ability to read Erich's mind. Their teasing of him was DEVASTATING. I saw Erich transformed from a healthy, happy boy to a psychotic, anxious mess. I was very concerned about my sweet boy & the changes occurring in him. He was always the sweetest boy.

I believe the Jesuits used my ex-husband to connect both my son and myself to their "machine" - which gave them the ability to read our minds. I believe they got Erich 1st.

I'm not sure when they started inducing illnesses in me using this method. I know they've also used OTHER methods (air pollution, food contamination & contamination in general). They're THOROUGH.
